**WALTERS WICKER  
RAISES CANE  
WITH THE JUNO SETTEE**

**Walter's Wicker, Inc.**, manufacturers of exclusive high-end wicker furniture for the residential and contract markets, presents the stunning **Juno Settee**. Crafted of cane on a wood frame, this beautiful settee's sides incline slightly outward, creating clean angular lines complementary to the frame. The back and arms are the same height.

Supported by four tapered wood legs, the **Juno Settee** is a desirable addition to a living room, bedroom, den, sunroom or office. It is suitable for both residential and commercial applications.

The **Juno Settee** is only available in the natural cane finish shown. Fabric is the customer's own material (COM).

Dimensions:  
59"W X 34.5"D X 35"H **(32100)**  
19" Seat Height, 35" Arm Height

**Walter's Wicker, Inc.**, maintains showrooms in the D&D Building in New York and the DCOTA in Dania, Florida. They are represented in designer showrooms nationwide.
