**I4 MARIANI USA INTRODUCES
THE CLASSIC STYLING AND PRECISION ENGINEERING
OF THE ARES EXECUTIVE COLLECTION**

i4 MARIANI, Spa, Italy, manufacturers of the finest contemporary furniture, introduces *The Ares Executive Collection*. Designed by Luca Scacchetti, the collection encompasses a selection of sophisticated, precisely engineered chairs, cabinets and desks in a variety of sizes and styles.

The Ares Executive Chairs are offered in three heights, high, mid and low back. The frames consist of a tubular steel construction imbedded in extremely high density polyurethane foam of 50kg/cubic meter (4 lbs/cu. ft.) Base options include a five star cross base with castors and a four star cross base without castors. Finish choices for the base include polished chrome plating, silver matte or brass matte painted finish. Upholstery alternatives for seats encompass over 400 stock fabrics, 52 colors in leather, COM and COL.

The *Ares* tables reflect an elegant simplicity and architectural classicism. The tabletops rest on four chrome pillars, supported by square legs. Optional metal inlays on the edges with saddle and wood inlays available on the tops; create a distinctively rich contemporary look. Contrasting finishes can be specified separately for the table tops and legs. Choices include Macassar Ebony, Light Italian Walnut, Zebra Wood and full hide saddle leather. Metallic details are available in three finishes; chromed, silver or brass matte painted finish.

The *Ares Executive Collection*, new from **i4 Mariani USA**, affords the luxury of classic styling, hand finishing and exquisite detailing with a limitless variety of options to suit any room requirement for both home and corporate office spaces.
