## AGOSTINO PUTS YOU ON A PEDESTAL

**Agostino Antiques**, one of New York's preeminent antique houses, known for the finest examples of 18<sup>th</sup> and 19<sup>th</sup> century English and Continental antiques and antique reproductions, introduces their handsome Regency style octagonal inlaid rosewood center table (#627). The luxurious grain of the wood on the table surface creates an exquisite pattern which is enhanced by the inlaid floral motif border. Resting on a graceful, beautifully balanced pedestal, the table is finely crafted with meticulous attention to every detail. There are also delicate inlays on the outer curves of the base. Dimensions are: 53" x 53" x 28.5"H and the table is available only as shown.

The extensive line of **Agostino** reproductions includes mirrors, chandeliers, English dining tables and chairs, breakfronts, cabinets, impressive consoles and a variety of games tables. Their access to private sources worldwide insures that their pieces are rare and exceptional.

An exclusive line of Chinoiserie decorated English furniture; expertly hand-painted by talented Chinese artists is another **Agostino** specialty.
