### SMITH AND WATSON DEBUT ENGLISH OAK LYRE BASED TRESTLE TABLE

**Smith & Watson**, masters of fine English and continental antique reproduction furniture since 1907, highlight their new **English Oak Lyre Based Trestle Table**; an elegant handcrafted table, finished in heavily distressed oak with graceful lyre base design. The table is available with refectory pull out slides that extend the length.

Adapted from a circa 1650 antique, this beautiful table can also be crafted in cherry or pine by special order. Custom sizes are also available.

Bob Ryan, president of **Smith and Watson**, says, "There has been a great demand for these tables in recent years. So many people have country homes and prefer less formal entertaining. These trestle tables are ideal for informal meals and gatherings."

**Smith and Watson** celebrated its 100<sup>th</sup> anniversary in 2007. A family business since its founding, the company has prided itself in a long celebrated reputation for producing finely crafted antique reproduction furniture with meticulous attention to every detail.
