## TASTEFUL CONES OF LIGHT FROM NICHOLAS ANTIQUES

**Nicholas Antiques**, a premier source for lighting, mirrors, furniture, accessories, pillows and custom lampshades, introduces **W3-048**, a classic and beautifully designed cone wall light. Featured in polished brass with frosted glass shade, this light is also available in distressed brass, bronze, chrome, brushed chrome, antique brass, nickel, brushed nickel or silver.

Manufactured in London by Besselink & Jones, the **W3-048** cone light lends itself to dining room, entry hall, bedroom or bathroom. An upscale ice cream parlor might also consider this fixture appropriate. The fixture takes a 20 watt halogen capsule bulb.

The company features an extensive collection of antique and reproduction chandeliers, sconces, table lamps and floor lamps in vast array of exquisite styles, as well as some contemporary lighting designs.

Their constantly expanding inventory is acquired from sources worldwide and is available through architects and designers. **Nicholas Antiques** is the United States representative for London manufacturer, Besselink & Jones, as well as French manufacturer, Galerie des Lampes.

**Nicholas** is also known for their restoration of antique lighting which is done and stocked on the premises of the D&D Building in New York City.
